

ADDENDUM No. 1
Request for Qualifications (RFQ)
19RFQ127 On Call EWAS Services Campus Support

March 15, 2019

Item 1: Questions and Answers

Item 1:

1. Some bidders requested clarification about the HUB requirements. Please see the answer from the HUB Department below

document provided in the solicitation.

1. **The HUB Utilization Report HUR form (see HUBATT 1) is ALWAYS required for responsiveness check and will be used for tracking project payments.**

Please ensure all proposers submit the HUBATT1C at time of submission. Please see a SAMPLE of this required document attached. You will need to enter ONLY the Prime

in TABLE 2 including HUB code designations. You MUST still submit HUBATT1 if you do not have any proposed subconsultants.

2. **Good Faith Effort (GFE) was demonstrated ONLY when a certified subcontractor/subconsultant is NOT being used.**

As indicated in the highlighted information above, if you list a subconsultant that is **not** certified with these two agencies, GFE **MUST** be submitted with proposal to be HUB Compliant:
