The survey questions are the same as the Spring and will allow us an opportunity to evaluate programming changes to improve staff morale and overall district satisfaction. These results will be posted for the public to view in early November.

Budget Development Calendar

The budget calendar is intended to reflect development milestones for public awareness and is subject to change.

Our finance department hopes to start community conversations in November.

Voting Resolution

On September 29th, our board will vote to approve the Voting Resolution

NXP - 313

Examples of other districts utilizing the agreement is Samsung in Taylor ISD and Tesla in Del Valle ISD. This potential agreement would allow the business to a tax abetment and provide funding to the district for the next 10 years.

This extra funding is not eligible for recapture so it will stay with the district. If this agreement is approved by our Board the money collected would be possibility used for teacher pay raises and teacher housing.

SEL & CPI

Members participated in an SEL dassroom activity

SEL department provides highly engaging, effective and purposeful practices to make meaningful learning experiences and meetings across our district.

Restorative Practices Community Circles

Members participated in a community circle

Community Ordes are centered on 7 core assumptions and each member had an opportunity to
